

Picture Day Information

****IMPORTANT****

- **ARRIVE EARLY** to allow time to check in your order forms with the photography staff. *We cannot photograph your dancer without a filled out, checked in form.*
- Please have ALL forms **completely filled out** PRIOR to arriving at the studio.
- **Bring ALL forms for all of your dancers on the FIRST day** that any of them are photographed so they can be checked in.

Please fill out one **PICTURE ORDER FORM** for each photo that will be taken of your dancer. Because each photo needs it's own ID# when taken.

For your convenience, we have an **EASY PAY FORM** so you will only need to write one check or pay one time with your credit card. *Please take advantage of this.*

If you want to order a 10x20 collage (*a dancer in 3 or more groups*), a **COLLAGE ORDER FORM** is available for you to list all of the poses you want.

***Please mark X in the box of each order form/photo that you want on your collage.*

Easy Pay orders that total \$125 or more
will receive a **FREE CD**
of the individual images that you order from.

- All picture order forms can be found on our website: scvdanceacademy.com
- Dads & Dolls photographs will be taken at a date to be determined.
