

# Picture Week at SCVDA

**April 18, 19, 20, 21**

It is requested that all dancers participate in the group pictures even if you choose not to purchase any individual photos of your dancer. Completed forms and payment should be brought along with you on your picture night. Please arrive a bit early in order to check-in your completed forms with the photography staff. We cannot photograph your dancer without a check-in form. If you have multiple children taking class or a dancer taking more than one class you can find the easy pay and collage forms on our website. A representative from Berard Portrait Design will be available at the studio to answer any questions that you may have.

Or you can contact them directly at 715-386-5880. Pictures will be handed during class at the end of May.

All dancers should arrive in their costumes with hair and makeup already done. We ask that you also bring all of your dance shoes. Please arrive ***15 minutes before*** your scheduled picture time as we would like to stay on schedule. Most classes should only take about 15-20 minutes in order to complete the group and individual photos. You are free to leave once your class pictures are finished.

**\*There will be NO dance classes held during picture week: April 18 - 21!**

## Hair & Make-up for pictures:

Light to moderate makeup is preferred for pictures. Full stage makeup is not required. Hair can be worn in any way that is comfortable for you. Remember to bring tights, shoes and any accessories that go along with your costume.
